- Applicants must have a minimum of five pieces available to hang for the duration of the exhibit.
- All entries must be original paintings, photographs or other two-dimensional works created by the exhibiting applicants.
- Submissions will be evaluated by the Culture and Arts Commission using the established selection criteria (see below)
- The Commission may select to exhibit all, some or none of the pieces submitted by applicants.
- Artists will be notified by May 1, 2018 if their work is accepted for exhibit.
- The City reserves the right to invite artists who do not apply, and to not select an artist through this application process.

- Nature of work - Work that shows a generally acceptable level of technical and creative expertise.
- Appropriateness of work - The subject matter of the work must be appropriate for all audiences given that the Library is a public facility.

City of San Bruno

Art Exhibit Policy in City Facilities

The City of San Bruno art exhibit program was created for the encouragement and development of artistic expression and to foster greater appreciation for art in our community. The City of San Bruno invites artists to submit proposals for exhibitions in the Public Library reading room.

Selection Process and Criteria

- Each year in January, the Culture and Arts Commission opens a selection period and extends an invitation to artists to submit their work for consideration.
- Groups and individual artists may apply; preference will be given to local artists.
- Artists must have a minimum of five pieces available to display for the duration of the exhibit.
- Artists interested in participating must complete an Art Exhibition Application.
- The Commission will select art for three exhibits that will each run for a 4-month period.
- The Commission will consider a wide range of artistic expression in deciding on potential exhibitors. However, in deciding the suitability of any work, the Commission is particularly mindful that all segments of the community and all age groups use the exhibit area. Exhibits may not include defaming or obscene materials as defined by the U.S. Supreme Court, or material which would lead to breach of peace or which advocates the violation of State criminal laws. It is not the intent that the exhibit space be used for advertising for commercial enterprises or political candidates. The views in the works exhibited are those of the artists and are not necessarily those of the City.

Exhibition Guidelines

- All art must be suitably framed with hanging apparatus.
- The exhibit area is open to the public only during regular operating hours.
- Permission for the City to photograph and reproduce any work for promotional reasons is considered granted unless otherwise stated in writing.
